

Dear Parents,

So many of you wanted to chaperone our trip to Montgomery. Unfortunately, due to space, we had to limit the number of chaperones to two per homeroom. We want you to know that you are still welcome to join us on our journey! There is only one rule! If you choose to make the trip in your own vehicle, please **do not** follow the motor coaches! Instead, meet us at each location! :) This rule is for the safety of your children!! If violated, we may lose our opportunity to enjoy this extraordinary field trip experience.

For your convenience, here are our itineraries:
